LEARN MORE ABOUT US

OUR GOAL AND MISSION!

FLASHID INU is a new decentralized, web 3.0 compliant meme token that aims to cross the community of all major meme tokens, aiming for a worldwide ecosystem. The number of targeted communities is one billion people. Remember, communities can rule the world. We are aiming for a better world too!

BNB AWARDS!

FLASHID INU Reward Machine- Holders will earn 2% worth of BNB from each trade made!

OUR UNIVERSAL MOBILE APPLICATION!

We will develop our new application, which will be operational in 2024, with a system that will greatly contribute to not starving stray animals and people all over the world. \$FLASHID will be bought and burned with all income from the application. Remember, philanthropic people still exist in this world!

WHY SHOULD YOU TRUST US?

No team tokens! 50% of the supply will be burned! The ownership wallet has been deleted! Holders will earn 2% BNB on each trade! In this case, people will confidently join Flashid INU.

WE WILL END SHIBA!

We are aiming to cross the shiba, of course it won't be easy, but we will achieve it! How? We, the floskido holders, should quickly hear about the power of floskido everywhere and share it on social media platforms!

STRENGTH IS BORN OF UNITY!

Floskido INU is a community project. Everyone needs to work together, so we believe that strength will arise from unity! This power will take us to the moon.

TRUST THE TEAM!

We have to trust the team! Floskido INU is born, but in order for us to achieve this, we must adhere to the motto, we will achieve it with patience and perseverance.

HELP ALL LIVING THINGS!

Floskido INU is the only and first meme token that aims to create both humanitarian and animal charities (foundations) all over the world and encourage the whole world to help!
